You agree that the image of the check transmitted to shall be deemed an "item" within the meaning of **Article 4 of the Uniform Commercial Code ("UCC")** and you are bound by all applicable provisions of the UCC.

You agree that you will not use the Service to photograph and deposit any checks or other items as shown below which shall be considered ineligible items:

- i. Checks payable to a third party (rather than to Customer, unless Bank agrees in writing otherwise with respect to Customer's Designated Affiliates);

10. Image Quality.

10.1 The image of an item transmitted to using the Service must be legible, including the MICR data. The image quality of the items must comply with the requirements established from time to time by ANSI, the Board of Governors of the Federal Reserve Board, or any other regulatory agency, clearing house or association.

10.2 Customer is solely responsible for the inspection of all electronic items to ensure legibility of the Check image and all information on an original Check is accurately photographed and legible. Customer acknowledges that image technology may not capture all security features contained in the original Check(s) and agrees to assume any and all losses resulting from claims based on security features that do not survive the image process. Customer acknowledges that Bank does not verify or inspect the accuracy, legibility or quality of the electronic item prior to processing an electronic item. Bank reserves the right in its sole discretion at any time to correct, alter or amend data submitted in an electronic item in accordance with general banking and check collection practices to facilitate processing of the Check, but Bank shall have no obligation to effect such a repair.

11. Endorsements and Procedures.

11.1 You agree to endorse any item transmitted through the Service with your signature and to write "FOR MOBILE DEPOSIT ONLY, NORTHWAY BANK ACCOUNT #" followed by the last 3 digits of the account number you are depositing into, or as otherwise instructed by Bank from time to time. You agree to follow any and all other procedures and instructions for use of the Service as Bank may establish

from time to time. Any loss we incur from a delay, processing error or any other action resulting from an irregular endorsement or other markings by you will be your responsibility.

11.2 If the back of any item includes language such as: CHECK HERE AFTER MOBILE OR REMOTE DEPOSIT, Customer must check the box after submitting the item for deposit via the Service.

11.3 A Check payable to two payees must be endorsed by both payees. If the Check is payable to you or your joint owner, either of you can endorse it. If the Check is made payable to you and your joint owner, both of you must endorse the Check and it must be deposited into an account owned by both of you.

12. Receipt of Items.

12.1 Bank reserves the right to reject any item transmitted through the Service, in its sole and exclusive discretion, without liability to you. Bank is not responsible for items we do not receive or for images that are dropped during transmission. If Bank rejects an item due to image quality, you will be notified that we cannot read the check and you will be required to re-take the photo. An image of an item shall be deemed received when you receive a confirmation from Bank that we have received the image. Receipt of such confirmation does not mean that the transmission was error free or complete or will be considered a deposit and credited to your account. We further reserve the right to charge back to your account at any time, any item that we subsequently determine was not an eligible item. You agree that the Bank is not liable for any loss, costs, or fees you may incur as a result of our chargeback of an ineligible item.

12.2 Bank reserves the right at any time to refuse the deposit or processing of an electronic item, and to return same to Customer without prior notice. Bank may request that Customer deposit the original Check for processing and collection, instead of the electronic item. Bank shall not be liable to Customer for (i) failure to process or collect an electronic item; (ii) any error that results in processing or collecting an electronic item because of Customer's failure to provide Bank with full and correct data or dollar amount from the original Check, or an accurate and legible of the original Check; and (iii) any Check that violates this Addendum, or any other agreement between Customer and Bank. Customer agrees that Bank may charge the account of Customer for any and all returned items that relate to original Check(s) deposited with Bank.

13. Availability of Funds. You agree that items transmitted using the Service are not subject to the funds availability requirements of Federal Reserve Board Regulation CC. In general, if an image of an item you transmit through the Service is received and accepted before **5:00 p.m.** Eastern Time on a business day that we are open, we consider that day to be the day of your deposit. Otherwise, we will consider that the deposit was made on the next business day we are open. Bank may delay availability of funds based on such factors as credit worthiness, the length and extent of your relationship with us, transaction and experience information, and such other factors as Bank, in its sole discretion, deems relevant. In addition, Customer agrees to follow The Check Clearing for the 21st Century Act, as it may be amended from time to time, and Regulation CC of the Federal Reserve Board ("Check 21 Act") for all checks deposited where applicable.

14. Disposal of Transmitted Items.

14.1 Customer must securely store any original Check for 14 Calendar Days after transmission to Bank and make any original Check accessible to Bank at Bank's request. Upon Bank's request from time to time, Customer will deliver to Bank within two (2) Business Days, at Customer's expense, the requested original Check in Customer's possession. If not provided in a timely manner, such amount will

be reversed from your account. Promptly after such 30-day period expires, Customer must destroy the original Check *by first marking it "VOID" and then destroying it by cross-cut shredding or another commercially acceptable means of destruction. After destruction of an original Check, the Image will be the sole evidence of the original Check.*

Customer agrees that it will never deposit the original Check or present the original Check to Bank or anyone else for payment. Customer understands that it is responsible if anyone is asked to make a payment based on an original Check that has already been paid.

14.2 Customer also agrees to review and validate the accuracy of the Check data captured including the amount of the check and the legibility of the check image through the Service prior to transmission of the image. Customer will carefully examine any statement, notification or confirmation of a transaction and notify Bank within thirty (30) days of the statement date of any errors, discrepancies or fraudulent transactions. Customer agrees that thirty (30) days is a commercially reasonable time for Customer to notify Bank of errors, discrepancies or fraudulent transactions, unless any other agreements, laws, rules or regulations provide for a shorter time.

15. Deposit Limits. We reserve the right to impose limits on the amount(s) and/or number of deposits that you transmit using the Service and to modify such limits from time to time in our sole discretion. If you attempt to initiate a deposit in excess of these limits, we may reject your deposit. If we permit you to make a deposit in excess of these limits, such deposit will still be subject to the terms of this Addendum, and we will not be obligated to allow such a deposit at other times.

15.1 For consumer accounts - The current daily dollar limit is \$3,000.00 with a limit of ten (10) eligible items. The monthly limit is \$5,000.00 with a limit of ten (10) eligible items. Daily and multi-day deposit dollar and count limits may vary and are subject to change at the discretion of Bank.
